

## BellSouth Optical Forum: Future-Proof Data Networks

**Where you see limitations, we  
can help you find possibilities.**

## >> You know your network, find out what it can be.

Discover your network's potential at the BellSouth Optical Forum. Learn how BellSouth and today's top technology providers – Nortel, Lucent and Fujitsu – can help you get the most from your network. Your company will gain speed, capacity and reliability – you'll get the credit.

This one-of-a-kind forum is making a stop in Atlanta.

Join us for an enlightening seminar that includes continental breakfast, key insights from top industry experts, answers to your business needs and a great lunch.

**Date:** May 6, 2003  
**Time:** 8:30 a.m. – 12:30 p.m.  
**Location:** Crowne Plaza Ravinia  
4355 Ashford Dunwoody Road NE  
Atlanta, Georgia 30346

Don't miss this one-time-only event if your needs include:

- SONET, Ethernet, WDM and other High-Speed Optical Transport
- High-capacity point-to-point transport
